Articulation Agreements
Report for Board of Governors
Due: September 1, 2005

The Board of Governors requests the following information regarding all affiliation
(articulation) agreements with community colleges. Please submit the following
information by September 1, 2005, to:

Susan Zwieg, Director of Undergraduate Admissions
Welcome Center, room 316
szwieg@wayne.edu
313 577-9753

Name of Agreement Attached (major) MACOMB UNIVERSITY CENTER
ELEMENTARY EDUCATION

Department/Faculty Responsible: COLLEGE OF EDUCATION
JANET ANDREWS 71601 ac2590@wayne.edu

Name Phone # Email Address
JACQUELINE GREEN 71605 jgreen@wayne.edu

Community College Affiliate: MACOMB COMMUNITY COLLEGE

Date Implemented: APPROX. 1991

Agreement Status: Current: yes □ no □

Number of students matriculated per year of implementation:
(Admissions will track the new students enrolled each year in the above major, if no
information is available from the department.)

36 in 2004-2005 Academic Year

Other information regarding the agreement:

We
Wayne State University
Transfer Policy for Community College Students Entering Fall 2005
*One-year Pilot Program (Fall 2005-Spring/Summer 2006)

Students who transfer to Wayne State University from a Michigan community college with an Associate of Arts (A.A.), an Associate of Science (A.S.), or an Associate of Liberal Arts (A.L.A.) degree are admitted with junior standing. Lower division University general education requirements are then considered fulfilled.

Students who transfer to Wayne State University from a Michigan community college with a MACRAO-stamped transcript who do not hold an Associate degree are also considered to have fulfilled the lower division general education requirements.

After transfer to Wayne State University, students will then complete courses specific to the graduation requirements of their individual department or college. As always, students should contact a professional advisor at Wayne State University before transfer.

*After one year, the program will be assessed and determination made regarding incorporation into official Wayne State University policy.

Office of Undergraduate Admissions

March 2005
The elementary education curriculum consists of General Education requirements, a teaching major, a planned minor and a sequence of professional education courses including one semester of student teaching. No grade below "C" (2.0) may be used in major/minor or professional education courses.

The elementary education program is a four-year program with students spending the first two years at Macomb Community College in a pre-elementary education curriculum. The last two years are spent in the College of Education at the University Center completing major and general requirements and the professional education course sequence.

The elementary certificate qualifies the holder to teach all subjects in grades K-5 as well as the major and minor subjects in grades 6-8 and in all subjects K-8 in a self-contained classroom.

**College of Education Admissions Requirements:**
- Minimum of 53 semester hours completed, including the Basic Composition requirement.
- Minimum 2.5 cumulative grade point average.
- Passing scores on the:
  - University English Proficiency (EP) Exam*,
  - All three sections of the Michigan Basic Skills Exam
- Fulfillment of the Math Competency (MC) requirement.
- A negative TB test.
- Completion and verification of successful group work experience with children.
- A personal statement.
- Criminal History Background Report (contact an advisor for further information).
- Attendance at a College of Education orientation session (available at WSU main campus only).

*Call University Center (586-283-3500) or Main Campus (313-577-3400) for test dates. Call Main Campus to Schedule

---

**General Education Requirements**

The following courses are taken through Macomb Community College

<table>
<thead>
<tr>
<th>Written Communication</th>
<th>Intermediate Composition (IC)-Elect One</th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic Composition (BC)-Elect One</td>
<td>ENGL 1180 Communication I...............4</td>
</tr>
<tr>
<td>ENGL 1180 Communication I...............4</td>
<td>ENGL 1190 Communication II..............4</td>
</tr>
<tr>
<td>ENGL 1210 Composition I.............3</td>
<td>ENGL 1220 Composition II...............3</td>
</tr>
</tbody>
</table>

**Critical thinking (CT)**

All students must pass a competence exam in critical thinking or satisfactorily complete either:

PHIL 2200 Intro to Logic.....................3

SPCH 2500 Argumentation and Debate........3

**Math Competency (MC)**

MATH 1420 & 1430 or MATH 1450

**Oral Communication (OC)**

Complete one of the following three options:
- Show evidence of having completed two semesters of speech or debate in high school.
- Pass the WSU Oral Communication Competency Exam
- Satisfactorily complete SPCH 1060 Speech Communication...............................3

**Computer Literacy (CL)**

Complete one of the following three options:
- Show evidence of having completed one semester of computer science in high school
- Pass the WSU Computer Literacy Exam
- Satisfactorily complete ITCS 1010 Comp & Info Processing.................................3
